[EHX] RBH, ADA, Projectiondesign, Screen Research, Auralex, Tributaries Win 2 Demo Alley Awards

RBH Sound, Audio Design Associates, Projectiondesign, Screen Research, Auralex and Tributaries won two Best of Demo Alley (BODA) awards for their presentations at the recently completed Electronic House Expo (EHX), including the coveted People's Choice Award, voted on by the show's attendees.

The manufacturers also took home the "Most Entertaining Presentation."

The other four awards were split amongst Demo Alley participants:

Best Audio Demo Experience went to Room 202C - McIntosh Laboratory, THIEL Audio, Richard Gray's Power Company, Straight Wire;

Best Video Demo Experience was awarded to Room 204A - Vidikron, Da-Lite Screens, James Loudspeakers, Vizionware, CodexNovus;

Most Informative Audio Demo went to Room 203B - Intel, AIX Records; and

Most Informative Video Demo was won by Room 202B - Runco and Stewart Filmscreen.

Here's a complete listing of the Best of Demo Alley award winners:
